About Us

THE STORY OF YOUNI

Initially set up as a small-scale enterprise in 1998, and then established in 2018 as part of United Group, You and I Fashions Pvt Ltd provides wardrobe solutions in a 21st century modern environment for the millennial aspirational Indians. The company has grown to be identified as a young and blooming brand in the fashion and apparel industry.

Our company manufacturers collection of men, kids and women wear for the Indian market. During COVID-19, the company has also started producing bio-fabric washable masks for wholesale supply across the country.

Our design philosophy is inspired by our parent company's tagline of 'Power of Thoughts', with focus on styles that are stimulating as well as intriguing.

Across all our operating units in Delhi, our team includes competent and qualified designers, merchandisers, production and marketing professionals. With years of experience in the apparel industry, our team constantly forecasts and stays in touch with consumer aspirations, needs and industry trends to develop stylish, affordable and fine quality garments that our customers will love.

We are available for partnerships with retail and online brands across the country to supply high-selling garments that suit the taste of Indian market.
